Objective

Dedicated and creative Web Developer with strong skills in both front-end and back-end development. Passionate about writing clean, scalable code and solving real-world problems through modern web technologies.

An aspiring Computer Science and Engineering student, currently pursuing a BSc in CSE (3rd year) with a CGPA of 3.7. Hands-on experience in front-end development using HTML, CSS, JavaScript, and React.js, as well as back-end technologies like Django and PHP. Adept at designing, implementing, and contributing innovative ideas to development projects.

Currently seeking opportunities to apply my skills and contribute to impactful projects within a dynamic and forward-thinking organization.
